

Mayor's Office of Immigrant Advancement

<https://www.boston.gov/departments/immigrant-advancement>

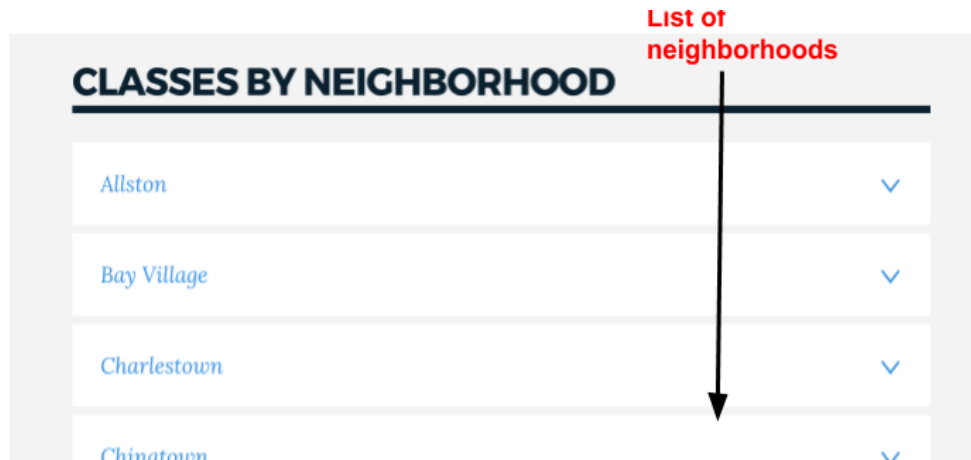

[The Mayor's Office of Immigration Advancement](#) provides many resources for immigrants. This tutorial will cover how to **find English classes**, finding dates to **meet for a consultation with an Immigration Attorney** and finding additional resources in **Boston's Immigrant Information Corners**.

One of the best resources on this page is the collection of all English classes that are offered in a nearby neighborhood. To find English classes, **scroll** down to **"Get Help"** and **click "Find English Classes"**

You will be redirected to a page for English Classes for Speakers of Other Languages Boston (ESOL).

Scroll down to **Classes by Neighborhood** and click on the neighborhood closest to you.

Clicking on a neighborhood shows English Classes offered in that area. For each program running classes, it shows the times of classes, the address, phone number and cost.

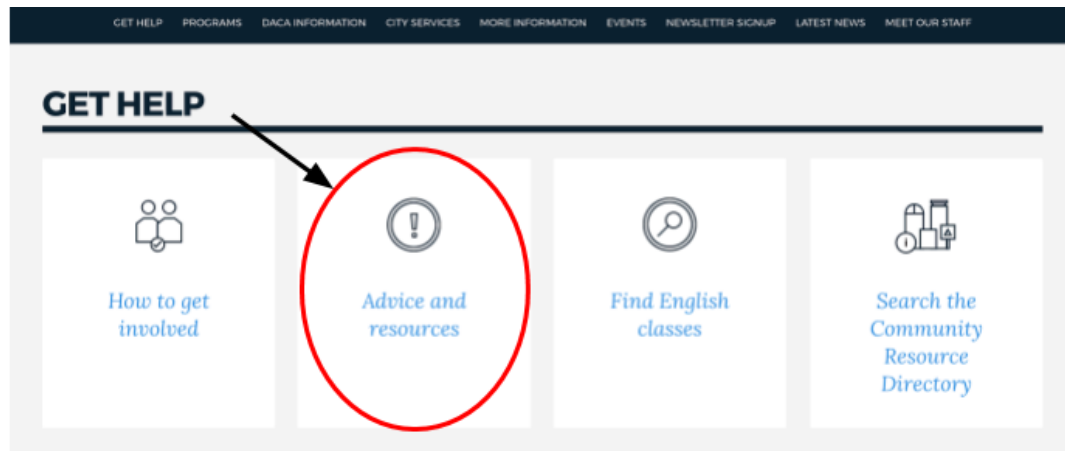

To learn more about a program, **click** its name to be redirected to their page.

The Mayor's Office of Immigration Advancement also provides the ability to attend a **free consultation with an Immigration Attorney**.

To find when the Attorney is available, **scroll** down to **"Get Help"** and **click** **"Advice and Resources"**.

You will be redirected to a page titled **"How We Help Individual Immigrants"**.

Scroll down to the section titled **"Legal Help"** to see a general information about the consultations offered.

To see a flyer in **other languages** with information about consultations, **scroll** down to a section titled **"Immigration Clinic Schedule"** and select the file with the language you need in parentheses.

Boston's Immigrant Information Corners are locations throughout Boston with materials in different languages for information about

citizenship, financial empowerment and public and community resources. The City will also host events for the Immigrant community at these locations.

To find a Immigrant information corner near you **scroll** down to the **Programs** section and **click** “Immigration Information Corner”.
