Welcome to the Commonwealth of Massachusetts COVID-19 Vaccination Appointment Scheduling Site

Your estimated wait time is 39 minutes...

We're experiencing a very high volume of people who want to make appointments. The waiting room helps appointment scheduling sites work smoothly for all users. It will ensure you have the best possible online experience.

You're in line to schedule an appointment at multiple locations served by this provider. If your preferred location fills up, you'll be able to search for a different location.

Massachusetts receives a very limited supply of COVID-19 vaccine doses from the federal government each week. Due to high demand and very limited supply, there is only a small number of appointments available.

Use this time to gather your health insurance information, if you have it.
